Dear George:

You did it again....another very successful program. The participants' comments from "Out of the Box Leadership" on October 18, 2000 were that the session was very motivational and highly interactive. Many had personal goals they were going to try to obtain following the program.

George, it is a pleasure working with you. I have always found you to be highly professional, very accommodating with a personal interest in your audience.

I look forward to working with you again in the future. Have a wonderful holiday season.

Sincerely,

Gretchen M. Bacco
